Wolves Update . . .

Tonight's game is vital to the Wolves.

A win would virtually seal a playoff spot.

Most coaches agree that 39 points will get you in.

With such a commanding for and against record, 38 points will probably be enough for Wollongong.

With four rounds to go, the local team is on 35.

After tonight's game against the Adelaide Sharks, the Wolves are away to Canberra and finish off with home games against Perth and Sydney United.

It isn't just a matter of finishing in the top six - the higher you finish, the easier the playoffs become.

It would be great if the boys could clinch a top six place in front of their home crowd. Attendances at Brandon Park this season have been magnificent and the club is the third highest crowd puller in the league.

Last week's away win against Gippsland was very important. The trip to the Latrobe Valley is always a tricky affair and the decision by Coach Nick Theodorakopoulos to charter a small plane again paid off.

Other interstate teams fly to Melbourne and have to endure a two and a half hour bus trip to Morwell. Aboard a 20 seater plane out of Mascot, the players flew directly to Morwell in about 90 minutes.

The 3-2 win wasn't a true indication of the game.

Wollongong dominated proceedings and really should have scored more goals.

Captain Matt Horsley scored two of the goals and was an inspiration to the side while Kosta Salapasidis also found the net.

Youth Team Report . . .

Youth team coach Stuart Beedie believes his team will make the playoffs with one win from their last two games. There are four rounds remaining but the Wolves have two byes in that time. Wollongong are second behind the Australian Institute of Sport on the ladder.

On Monday week the boys are away to ACT Academy and wind up the season at home to Sydney United. It could come down to the final game against United. If that is the case, we could have plenty of "early arrivals" to watch the youth league match.

Last weekend, Wollongong beat the NSW Institute 5-1 and played some very good football. The goals were shared around with Paul Reid, Sebastian Sinozic, Ray Younis, Victor Costabile and Kane Maccabei finding the net.

Beedie said it was pleasing that midfielder Reid scored only his second goal of the season. Reid opened his account the previous week against Sydney Olympic Colts. The coach said he had been urging Reid to get forward all season. Another player to stand out was defender Shane Lockhart, having just his third game in the side.

WOLLONGONG TOYOTA STARLETS...

The Wollongong Toyota Starlets would like to welcome the Bathurst team to Brandon Park for the first game of the 1998 WSL season.

This is only the second time that a WSL competition game has been scheduled ahead of an Ericsson Cup match and the Starlets are looking forward to a good contest against the strong Bathurst outfit. The Bathurst team has made it to the semi finals for the last three years winning the Grand Final the year before last.

The Wollongong Toyota Starlets will play here again on 4th April against Manly Warringah ahead of the Wolves v Perth Glory fixture. The players would like to thank their major sponsors Wollongong Toyota and the Wolves management for their continued support and the opportunity to show that women's soccer has come of age in the Illawarra.

The players have been working hard towards their stated goal of promotion to first division for next season including a first division trial game in the lead up to today's match and we wish the Wollongong Toyota Starlets the very best for today's match, and for the rest of the season.

Club chairman Doug Symes this week defended the decision to increase grandstand admission charges and family tickets at Brandon Park. Symes said the board had reviewed what was happening with other Ericsson Cup clubs and discovered Wollongong were charging the lowest prices. He said the club was introducing the big screen for the last three home games of the season. He pointed out that new players were needed to strengthen the squad for next season. "It takes money to do all this and we needed to increase our prices just to get on level terms with some of the other clubs." Symes said. "There are still clubs charging more than we are. I am certain our supporters will appreciate our position. We will always try to provide value for money with pre-match and half-time entertainment. After all, it still costs only \$10 for an outer ground ticket at Brandon Park."

Goalkeeper Brett Hughes was out cold at one stage of last week's game against Gippsland Falcons. He received a nasty bump to the head as Gippsland scored their first goal and the Falcons doctor was called to treat him. Still slightly concussed after half-time, "Hughsie" had very little to do in the second half. Midfielder Antony Surjan was quick to praise the goalkeeper. "You did really well" Surjan said. "I would say you play a lot better when you're concussed"

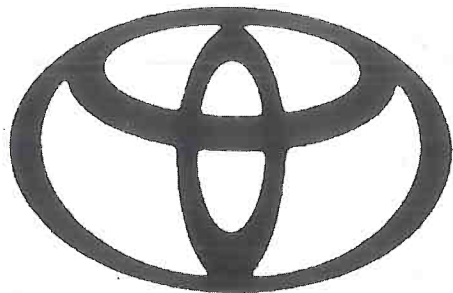

Great to see Sasho Dimoski back in the starting lineup against Gippsland. Dimoski played in the first two games of the season but he was then injured and spent a lot of time coming off the bench. Last week he played a similar defensive midfield role to Michael Reda and was very effective, it could have earned him a place for the last four games of the season.

Congratulations to captain Matt Horsley on his two goals against Gippsland. Horsley goals are like a rare vintage wine. You don't see a lot of them so you need to savour every one. The skipper promised he would reach double figures at the start of the season. Four down and six to go.
